Portfolio: <https://coreyhorsburgh.com/>

- Created and edited video tutorials about game development techniques to create an extensive online library for future camps and employees.
- Demonstrated strong communications while planning, developing, and delivering lessons on game development for kids ages 8-16, adapting approach to suit each audience.
- Worked as part of a virtual team and was often looked to for advice and leadership by other employees.
- Noted as “Very enthusiastic, organized, dependable, quick to learn and a good leader” by employer.

Other Work Experience

Cashier, Canadian Tire, Bayer’s Lake, Halifax, NS

July 2016 – August 2020

- Provided efficient and courteous customer service.
- Recognized as one of the top 20 cashiers in the region for receiving Jumpstart donations.
- Award recipient for excellent customer service based on customer/employer online satisfaction surveys.

Academic Projects

- Worked with Immigrant Services Association of Nova Scotia in Project Management course to develop a simulation-style game where the player took on the role of a recent immigrant. Primarily worked on MySQL database for game.
- Worked in a group on an ongoing project in Software Engineering course to develop a voting app. The course required testing driven development and pair programming.
- Team co-leader role in fourth year Project Management course, helping with organization of the team and conducting meetings in place of Team Leader when needed. Project involved working on a job search website for client using ReactJS framework and a Firestore database. Made use of Agile development practices during project.

Extra-Curricular Activities

250 Vimy Royal Canadian Air Cadet Squadron

2011 – 2017

- Received the *Duke of Edinburgh Bronze Level* (Fall 2015).
- First cadet from squadron to attend the *National Advanced Aerospace* course in Quebec.
- Taught Junior Flying club to younger cadets as part of optional training (2014/15).
- Volunteered annually to collect food and donations for the St. Margaret’s Bay Food Bank.
- Participated in several community projects/activities such as fundraising for the Hammonds Plains Memorial Cenotaph, collecting for the Legion Food Bank Road Toll, and helping maintain Estabrooks Community Centre, e.g., painting the community centre and helping with the annual fundraiser.

Other Activities

- Sir John A High School curling team – won bronze medal in provincials.
- IWK fundraiser – founded and created a school fundraising campaign which raised several thousand dollars to buy 2 smart IV pumps for PICU, collected change for Change Bandits, and participated in IWK Telethon.
